

2021 HOME BUILD

JOIN IPC TO HELP BUILD A HOME

Sponsored by: Birmingham Area Churches in
the Presbytery

Construction starts September 9, 2021

The home to be built at 1018 Herring Street, Midfield, 35228, for Carolyn Hamilton.

VOLUNTEERS NEEDED

Sign up to join IPC for this year's Habitat for Humanity Build. We are helping to build a home in Midfield alongside fellow Birmingham-area churches in the Presbytery of Sheppards and Lapsley. The project begins on Sept. 9 with a groundbreaking ceremony at 8 am. You can choose to volunteer with your church family or join members of our Presbytery on any Friday or Saturday starting Sept. 10.

IPC volunteer days are planned for Sept. 17, 24, and 25 as well as Oct. 15.

REGISTER

No construction experience is necessary, but you do have to be at least 14 years old. Find links and other volunteer registration online at ipc-usa.org/connect.

2021 HOME BUILD

MEET CAROLYN

HABITAT HOUSE FOR CAROLYN HAMILTON

Carolyn Hamilton was born in Billingsley, Alabama, and moved to Ohio when she was a teenager. She graduated from McKinley Senior High School and eventually returned to Birmingham. She has worked at UAB for five years as a custodian.

"I always prayed for a home of my own," says Carolyn. "Thank God for my sponsor and may He continue to bless them."

She is excited for her daughter and grandchildren to see her future home!
