

## SHAUN PEZANT

### IPC PRESBYTERIAN WOMEN'S RETREAT GUEST MUSICIAN

Using music to express the love of God and deepen our awareness of the Holy Spirit working through our lives is my life's true calling. I have served at Saint Luke's for twenty years and have been a liturgical musician for thirty five years.

I have served as music director for several conferences including the Bowen and Lansing Lee conferences at Kanuga with George Carey (Archbishop of Canterbury 1991-2002) and John Meechum (acclaimed author and historian). In addition to serving at several parishes throughout the years, I am an Emmy® nominated composer and band leader.

My life's joy is my wife Judy and my son Evan. They are blessings from God and I am grateful.
