##### **Overview**

- In all more than 6000 people have been evacuated, given shelter, medical care and meals
- More than 7000 families in Vinnitsya and other regions have received food packages, medical care, clothes.  
At the moment the number of IDPs (Internally displaced persons) who receive help from us is increasing every month
- Foodstuffs, medicine, personal hygiene supplies, power generators, clothing is regularly sent to Mykolaiv, Kharkiv, Chernihiv, Kyiv, Donbass and other regions of Ukraine.
- 25 volunteers and church worker plus up to 40 drivers are involved in our work
- In February- March, evacuation of people from various parts of Ukraine to the Western borders (Hungarian, Moldavian, Romanian, Polish borders with Ukraine) were carried out by our Church by hiring buses with drivers for a particular fee, approximately 70\$ per passenger.

Our Church covered part of the cost or payed the whole amount for those who couldn't afford this fare.

- From April- till present evacuation is carried out partly with "KidsSave" Ukraine. An NGO previously based based in the city of Mykolaiv.
- Our Church provides shelter, meals, food supplies, etc to evacuees, whiles KidSafe provide the drivers and buses for evacuation.
- We are also daily providing lodging, meals to 30-40 drivers from KidsSafe since they relocated from Mykolaiv to Vinnitsya in March because of the frequent bombing of Mykolaiv by Russian forces.
- In addition, beginning from May evacuation is also carried out separately by our church using donated transport.
- We have also provided protective gears, walkie-talkies and other necessary equipment to drivers from our church, other volunteer services in Ukraine and to some soldiers
- Humanitarian aid in the form of foodstuffs, medicine, medical equipments, hygienic items, mattresses, bedsheets, sleeping bags, have been received from various organizations: Samaritan's Purse, Churches and NGOs from Poland, Hungary, Moldova, Italy, Romania and Germany.
- Our Church also purchases medicine, foodstuffs, hygienic items, clothes for the needy

##### Financial donations

- Church of the Risen Christ offerings and tithes. This is able to cover only a small part of our expenses due to very low offerings and tithes. Most church members have left the country or have lost their jobs and business due to the war.
- **Donations received from IPC since the beginning of the Russian invasion of Ukraine, totaling \$74 975.00 were used to cover the bulk of our expenditure.**
- Christians and other Churches outside Ukraine have also occasionally donated funds to our Church.

**All donations were used mainly as shown in the table below.**

*\*Our activities and spendings from February 24<sup>th</sup> to the first few weeks of March, at the beginning of the invasion were chaotic in some sense. We were not able to record all expenses that were made during this particular period , hence some may not appear in the document.*

**Our need:** A separate buildings for our humanitarian efforts, with enough storerooms, a large dining room, proper bedrooms, bathrooms, showers etc to house evacuees and IDPs and for storage and distribution of humanitarian supplies.

Our Plan:

1. Reconstruct and develop a two story 6500 square feet building owned by the Church
2. Reach more stranded and needy people in regions of Ukraine where there is active fighting.
